#### **PRODUCT**: WINEPRESS CLEANER CHLORINE FREE MEMBRANE PRESSES (continued of page 1) H314 Causes severe skin burns and eye damage. Precautionary statements P260 Do not breathe dust/fume/gas/mist/vapours/spray. P280 Wear protective gloves/protective clothing/eye protection/face protection. P301+P330+P331 IF SWALLOWED: rinse mouth. Do NOT induce vomiting. P303+P361+P353 IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water shower. P304+P340 IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P310 Immediately call a POISON CENTER or doctor/physician. P401 Store in accordance with local/regional/national/international regulations. P501 Dispose of contents/container in accordance with local/regional/ national/international regulations. 2.3 Additional information: Results of PBT and vPvB assessment According to Annex XIII, XIV of Regulation (EC) No.1907/2006 concerning REACH Not fulfilling PBT (persistent bioaccumulative/toxic) criteria. Not fulfilling vPvB (very persistent/very bioaccummulative) criteria. Self classification PBT: Not applicable. vPvB: Not applicable. 03 Composition/Data on components • 3.2 Chemical characterization **Description:** Solution of substances listed below with non declarable additions. · Dangerous components: CAS NO. • 4.1 Description of first aid measures

#### General information

Instantly remove any clothing soiled by the product. Personal protection for the First Aider.

#### After inhalation

Supply fresh air or oxygen; call for doctor. In the case of breathing difficulties have the casualty inhale oxygen.

## **PRODUCT**: WINEPRESS CLEANER CHLORINE FREE MEMBRANE PRESSES (continued of page 2) · After skin contact Instantly wash with water and soap and rinse thoroughly. After eve contact Rinse opened eye for several minutes under running water. Then consult doctor. Use eve protection Seek medical treatment. After swallowing Rinse out mouth. Drink copious amounts of water and provide fresh air. Instantly call for doctor. Do not induce vomiting; instantly call for medical help. During spontaneous vomiting hold the head of the casualtyned onto low with the body in a prone position in order to avoid the penetration of vomit into the air tube. Information for doctor Typical caustic burns. Symptoms of acute poisoning: The local damage proceeds very quickly, initially without any or little (inadequate!) sensation of pain. Eyes: in particular damage to the conjunctives, cornea, sclera (edema, ulceration perforation, opacity of the cornea), more seldom even to the retina and choroidea; there is a danger of blindness! Skin: erythema -> erosion with swelling of the tissue showing soft, gelatinous surface (colliquative necrosis), -> deficient skin function (rule of nines!) Inhalation: tussive irritation, following massive inhalation possible dyspnoea, stridor, danger of laryngospasm/glottic edema, pulmonary edema, bronchopneumonia Ingestion: painful reddening/glassy swelling of the mucous membranes of the mouth/tongue (however, signs of corrosion can also be absent!); pain behind the sternum and in the epigastrum, dysphagia, under certain circumstances emesis (danger of aspiration); in serious cases rapid entry of collapse/shock (sometimes fatal); Information see: GESTIS-database on hazardous substances www.hvbg.de/bgia/gestis-database 4.2 The following symptoms may occur: No further relevant information available. Danger No further relevant information available. Treatment No further relevant information available. 05 Fire fighting measures • 5.1 Extinguishing media • Suitable extinguishing agents CO2, extinguishing powder or water jet. Fight larger fires with water jet or alcohol-resistant foam. · For safety reasons unsuitable extinguishing agents Not known. 5.2 Special hazards caused by the material, its products of combustion or flue gases: No further relevant information available. • 5.3 Advice for firefighters • Protective equipment: Keep breathing equipment ready. Wear protective equipment. Keep unprotected persons away. Additional information None 06 Accidental release measures • 6.1 Person-related safety precautions: Wear protective equipment. Keep unprotected persons away. 6.2 Measures for environmental protection: Do not allow undiluted product or large quantities of it to reach ground water, water bodies or sewage system.

 6.3 Measures for cleaning/collecting: Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders). Dispose of the material collected according to regulations.
